

Membership Application Form

The purpose of FISITA is to help enhance the design, research, development, manufacture and utilisation of all on- and off-highway motor vehicles, their components and systems, including fuels and lubricants. FISITA is composed of automotive engineering societies around the world, each member society being the major automotive engineering society in its nation.

Any automotive engineering society applying for membership in FISITA must subscribe to the purpose of FISITA and contribute accordingly to FISITA. Application for FISITA membership must be submitted on the official application form and must respond to questions or requests for information as required by the Council. All documents must be drawn up in, or translated into English, the official language of FISITA.

A letter from the applicant society must accompany the application form and must include that society's acceptance of FISITA's rules and regulations and a willingness to apply them in spirit and in practice.

Please complete this form in BLOCK CAPITALS in black ink and return it to:

FISITA
30 Percy Street, London, W1T 2DB, United Kingdom
Phone: +44 (0) 20 7299 6630
