

# Author registration : Steps 1 - 3

---

1. Visit <https://www.fisita-congress.com>

2. Click "AUTHORS" and "Author's Area"

---

## Author's Login

Presenting a paper at FISITA 2018 gives you the opportunity to share your latest technical ideas and achievements with influential specialists from around the world and to discuss your work with colleagues throughout the industrial and academic communities.

Registered authors can login at any time to amend their details and access important information.

If you have any technical issues submitting your abstract or registering as an author please contact [fisita2018@saeindia.org](mailto:fisita2018@saeindia.org).

## Author Registration

✓ Thank you. You have now registered as an author.

You will receive an email confirmation shortly.

You are now logged-in to the Author's Area. You may now [submit an abstract](#).

5. Registration is complete.

# Author's Dashboard : Author's homepage

## Steps 6 - 8

The screenshot shows a dark blue header with the text "Author's Dashboard". Below it, the user is logged in as "Alan Example" with a "Log out" link. A list of menu items follows, each with an icon: "Author's homepage" (globe icon), "Submit a new abstract" (document with arrow icon), "Update your profile" (document with checkmark icon), and "Instructions & templates" (document with arrow icon).

6. The Author's Dashboard menu is where you can access the Author's homepage, Submit a new abstract, Update your profile and view instructions & templates.

7. Click "Author's homepage" to view your current status.

### Author's Area

Welcome to the FISITA 2018 Author's Area.

Use the Author's Dashboard on the right to [submit a new abstract](#).

Please adhere to the guidelines provided in the [Instructions & Templates section](#).

The screenshot shows a dark blue header with the text "Your Abstracts". Below it, the text reads "You haven't submitted any abstracts yet." A blue arrow points to the text.

8. In this example no abstracts have been submitted yet.

### Submit a new abstract

Please submit the title of your proposed paper and your abstract below. You may also add details of any secondary or co-authors.

#### Primary Author

*The Primary Author information will be filled in using your registration details.*

This is to be the presenting author.

**Will the primary author be under 35 years of age on 2 October 2018?**

Yes

No

This determines your eligibility for the Manuel Junoy Award.

**Note:** If you are not the presenting you can add one further down the form.

## Step 10

10. Here you can enter your abstract title...

### Your Abstract

Title of your proposed paper: \*

Which topic does your paper belong to? \*

- Powertrain & Emission  
*Engine Technologies, Fuel Economy, Emission Control and After Treatment, Automatic Transmission, Advanced Transmission Concepts, Combustion, Optimisation and Heat Recovery, Simulation - Virtual Design and Testing, Thermal Management, Transmission / Actuation Control System*
- Fuels & Lubricants  
*Engine Lubricant & Compatibility with After-treatment Devices, Driveline Lubricants, Fuel Economy by Automotive Lubricants, Third Generation Bio-Fuels, Alternative Fuels and Propulsion Technology, Hydrogen as a Fuel, Additives in Fuels & Lubrication*
- Noise & Vibration  
*Powertrain NVH, Intake & Exhaust Noise, Tire Noise, Incab & Passby Noise Measurement Techniques, NVH Simulation and Analysis*
- Vehicle Dynamics  
*Ride & Handling, Vehicle Human Interface, Suspension, Steering & Brakes, Advanced Driver Assistant Systems, Control Systems*
- Active and Passive Safety  
*Structural Crashworthiness, Alert Systems, Occupant Safety, Safety Furniture, Test Methods, Accident Reconstruction, Biomechanics, Pedestrian Safety*
- Electric & Hybrid Vehicles  
*Battery Technology & Management System, Smart Grid / EV Infrastructure, Power Electronics & Electric Motor Drives, Hybrid Vehicles, Range Extenders, Fuel Cells, On-Board Diagnostics*
- Autonomous & Connected Vehicles  
*Artificial Intelligence, Autonomous Driving / Driverless Cars, V2V / V2I, Vehicle Tracking and Monitoring, Voice and Motion Recognition, Telematics*

- Manufacturing & Materials  
*Manufacturing Technologies, Advanced Materials, Application of Non-metals, Surface Engineering and Coating Technology, Lightweight Materials, Prototype Building, Industrial Engineering*
- Vehicle Concepts  
*Advanced Mobility Solutions, Off Highway Engineering, Combat Vehicles, Two and Three Wheelers, Human Behavior in Transportation, Traffic Management / Mass Transportation, Automotive Infotonics*
- Sustainability  
*Standards and Regulations, Frugal Engineering / Design for Environment, Inspection and Maintenance, Globalization and Homologation, End of Life Management / Recycling, Advanced Simulation - Virtual Design and Testing, Testing and Measurement*

#### FISITA 2018 requirements for abstracts

- 1 X A4 page, approximately 500 words include spaces
- Font Arial 10, single line spacing
- No figures preferred, but can be included if essential
