4. Complete the Author details as per the Author registration and click “Create account”.

5. Registration is complete.
Author’s Dashboard : Author’s homepage
Steps 6 - 8

6. The Author’s Dashboard menu is where you can access the Author’s homepage, Submit a new abstract, Update your profile and view instructions & templates.

7. Click “Author’s homepage” to view your current status.

Author's Area

Welcome to the FISITA 2018 Author’s Area.

Use the Author’s Dashboard on the right to submit a new abstract.

Please adhere to the guidelines provided in the Instructions & Templates section.

8. In this example no abstracts have been submitted yet.
9. Click “Submit a new abstract” to begin.

The Primary Author information will be filled in using your registration details.

Note: If you are not the presenting you can add one further down the form.
10. Here you can enter your abstract title...

... and select your topic.
11. Review the requirements...

12. If there are secondary Author(s) their details can be added below.

13. Authors can be selected as presenters here.

14. Click “Submit paper” and you are done.

... and upload your PDF.
